

CLIVE RUNDLE

Afro Fusion

(A/W 2017 SA Fashion Week)

A Gradual process of transformation (morph)

Clive has carefully crafted Afro Fusion through various specialized design techniques, utilizing well-engineered patterns, an eclectic array of fabrication collected over the decades, combined with the VISION of Africa in the next 10 years.

Intelligent use of print and colour manipulation in the various silhouettes ignites Afro Fusion.

In typical Rundle OMG style there is the cutting edge of multi functionality and layers of wisdom throughout the collection.
